# *Annunciation Catholic School*

Annunciation Catholic School is a Pre-Kindergarten 3 through Grade 8 Catholic Elementary and Middle School under the Archdiocese of Washington.

The Archdiocesan curriculum guidelines, consistent with the District of Columbia guidelines, are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

## *History*

Annunciation Catholic School opened in September of 1954 with grades K through 8. The school was staffed by the Sisters of the Society of the Holy Child Jesus and guided by the direction of the Reverend Mother Mary Joan, SHCJ. The mission and curriculum of the school continues to reflect the teachings of the founder of the Society of the Holy Child Jesus, Cornelia Connelly.

## *Mission Statement*

Annunciation Catholic School aims to empower all scholars to become reflective, compassionate and mission driven individuals dedicated to use their God given gifts and talents to create a better world. Through a deeper and broader understanding of their faith, accompanied by an appreciation of the universality and connections of the entire world, our rigorous academic curriculum will foster in our scholars an empathic understanding of and active participation in the world as global citizens.

## *Vision Statement*

The Annunciation Catholic School teachers, parents and community are dedicated to help all students apply their personal attributes to lead productive lives and to become contributing members of the global community.

## *School Attributes*

The manner in which we prepare students at Annunciation Catholic School is informed by five tenets based on attributes of the word FAITH: 1) **Fortitude**: With high standards for conduct and self-discipline, our students develop fortitude-the courage to persist in adversity to both achieve academic and personal success 2) **Achievement**: A high level of rigor included in instructional practices via standards aligned and contextually driven instruction; 3) **Integrity**: Connecting positive relationships with effective instruction for positive academic results;4) **Teamwork**: Through meaningful exposure in our daily town hall meetings, a rich offering of clubs, sports, and activities 5) **Holiness**: as a community of faith our faculty and staff strive to create a safe and nurturing learning environment that strengthens each scholar's faith in God and celebrates each scholar's unique and special God-given gifts.

## *Absence*

When a student is absent from school, a parent should **call the office by 9:00 AM** each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the students.

**Students should be fever free for 72 hours before returning to school.** Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year.

**Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests.** For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up/be sent via email at the school office between 3:00 PM – 3:30 PM.

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

**Excessive unexcused absences (18 days and/or 54 unexcused tardies) may be the cause for a student to be retained in the current grade for another year.**

**Students who are absent for the school day cannot participate in after school activities.**

### ***Academic Accommodations***

Annunciation Catholic School does provide for academic accommodations. For a student to receive any accommodations in/out of class, he/she must have current documentation to support accommodations. For example: psychoeducational evaluation, Speech and Language evaluation, Occupational Therapy evaluation, Medical evaluation, and/or English Language assessment. The Learning Center serves as the office that oversees student accommodations and the Student Assistance Team. Annunciation Catholic School asks for transparency from families to disclose all documentation that will support our understanding of our students. ACS will make **reasonable** accommodations for learning differences through written documentation in the form of ICEP and CAP Plans.

### ***Academic Information***

## ***Allergy Policy***

Annunciation Catholic School recognizes that an allergy is an important condition affecting many school children and positively welcomes all pupils with allergies. This school encourages children with allergies to achieve their potential in all aspects of school life by having a clear policy that is understood by school staff and pupils.

Teachers and new staff are also made aware of the policy.

- **Record Keeping-** At the beginning of each school year, or when a child joins Annunciation Catholic School, parents are **required** to submit a child's medical record. From this information the school keeps its asthma register which is available for all school staff. If medication changes in between times, parents are required to inform the school.
- **The School Environment-** All teachers and substitutes will be educated about the risk of food allergies. The school does all that it can to ensure the school environment is favorable to children

with asthma or allergies. We require full disclosure of allergies from families so that we can support a safe environment for our scholars.

- **Food Allergy Policy-** Annunciation Catholic School recognizes that life threatening food allergies are an important condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, Annunciation will maintain a system-wide procedure for addressing life threatening allergic reactions and maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.
- **Classrooms- Teachers must be familiar with the Emergency Action Plan of students in their classes and respond to emergencies as per the emergency protocol documented in the Emergency Action Plan.** Information will be kept about students' food allergies in the classroom and in the substitute emergency folder, accessible by teachers, substitutes or other responsible adults. This is subject to change based on construction.

● ***Dismissal***

The cell phone may be picked up by the student at dismissal or upon picked up at aftercare. At no time during the day should a cell phone be in a student's locker or in his/her possession. Infractions result in disciplinary referral.

A student who is involved in cheating will be unable to participate in sports and/or other extracurricular activities.

### ***Classroom Management***

Our school wide culture creates a proactive approach to promote positive behavior. The focus is prevention, not punishment. At its heart, ACS is intentional about implementing restorative justice and positive behavior strategies. Footprints are our positive incentive program. Students who earn the designated amount of Footprints will be able to participate in quarterly celebrations. The 3 R's (Respect Responsibility & Reverence) and character development is integrated in all aspects of our curriculum.

Grade level teachers will notify parents of classroom routines, expectations, and consequences at the beginning of the year. Any questions during the year regarding classroom discipline should be addressed with the teacher.

Classroom management procedures vary for grade levels in recognition of the student's age, developmental, and maturity levels. Below are descriptions of the consequences for infractions, detention, suspension, and expulsion. The administration reserves the right to waive and/or deviate from any and all disciplinary action or regulation for just cause at his/her discretion.

If a student fails to complete detention, suspension will follow.
- ***Suspension***
- Students who are given an in-school suspension will be required to report to school each day and work. Students who receive an out-of-school suspension will not be allowed on campus during the

time of their suspension. Students must complete all classwork and tests from the days of suspension. In both cases, students must complete a reflection essay and re-entrance meeting to review essays with the administrator before returning to classes.

- ***Expulsion***

- Expulsion is an extremely serious matter. Students who pose a threat to themselves or to others may be expelled from Annunciation Catholic School. Students who have been expelled will not be allowed to return to the school without prior permission from the Principal. *Students whose parents have violated the Parents as Partners agreement in this handbook may also be excluded from Annunciation Catholic School.*

## ***Conduct***

In accordance with the stated philosophy of the school, which emphasizes deep respect for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school which are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors which the students' sense of appropriateness will indicate to them. Students who damage or steal school property or the property of others must assume responsibility for its repair or replacement and are subject to disciplinary action, including suspension and/or expulsion. If restitution is not made within the week of the request, the parent/guardian will be billed in TADS.

Items such as, but not limited to, e-cigarettes, questionable books and pictures, White-out®, Sharpie® markers, knives, guns, matches, cigarettes, toys, trading cards, laser lights or anything that will detract from a learning situation are not allowed at school at any time.

Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress or lack thereof.

## ***Dress Down Policy***

- Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted.

Homework guidelines are written in class syllabi.

### ***Homework due to Vacations/Planned Absences***

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

### ***Homework Policy Due to Illness***

When a student is **absent for three or more days**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For **short absences**, students may also receive missed assignments from their teacher when they return to school.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent four days should be given four school days to complete the missed work.

### ***Immunizations***

All students enrolled in Annunciation Catholic School must have current immunizations. The only exception to the policy is in the event that a student has an illness that would compromise his/her life by being immunized. Documentation of a compromising condition, such as, but not limited to, leukemia must be presented prior to the first day of the school year.

### ***Items Brought To School***

Students may not bring toys, games, electronic games, sports balls, iPods, iPads, etc... to school unless requested by a teacher. Annunciation Catholic School is not responsible for loss or damage to any items brought to school by a student. This includes, but is not limited to all electronic devices.

### ***Learning Center***

## **Mission**

The Learning Center's efforts are directed towards our most valuable assets in our schools: the people; staff, students and parents. We are devoted to maximizing our most precious resources and to build their capacity every single day.

## **Vision**

The Learning Center utilizes a learner- centered approach and best practices to prepare its students to be independent, self-sufficient and lifelong learners. We have developed a blended learning approach that addresses the academic needs and goals of every student. Students can receive additional academic support in remediation and acceleration, time management, organization, test taking and study skills. For our staff the Learning Center utilizes the professional learning communities (PLCs) model as a framework to build teacher capacity in designing rigorous differentiated instruction that will ultimately improve student learning. The Learning Center connects with parents through our Parent University. We seek to educate and empower families as partners, advocates, and lifelong educators in their student's education through free courses, resources, events, and activities.

## ***Library/Reading & Research Center***

The school has a well-equipped library. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

- Borrowed books are to be returned on time and in good condition.
- Books damaged or lost must be paid for by the student before any other materials may be checked out.
- Students who have lost or damaged books do not receive progress reports or quarterly report cards until their account is cleared.

## ***Lockers***

Lockers are assigned to students for convenience and protection of personal/school property. The school does not relinquish control of lockers at any time. Students are responsible for all items placed in lockers and will be responsible for any damage. Lockers are expected to be locked at all times as the school will not be held responsible for lost or stolen items.

Students are not to share lockers unless directed by administration. School property, such as lockers, are jointly held by the school and the student. Students have no expectation of privacy in such locations. Random locker checks will occur throughout the school year by homeroom teachers. During these checks, if a student is found to not be taking care of his/her locker, they may lose locker privilege.

Students will receive a lock for their locker from their homeroom teacher. No other locks are permitted to be used. Administration will also provide students a locker combination that may not be changed unless done so by an administrator.

## ***Lost and Found***

Any items left in the school building or on the school grounds should be given to the school receptionist to be placed in the Lost and Found. **Items placed in the Lost and Found remain there for 10 days.** After 10 days, items are donated to charity. Please label student items.

## ***Lunch Program***

All students may bring their own lunch, or families may elect to participate in the school lunch program. The school does NOT provide utensils, refrigeration, or the use of a microwave. **No fast food or food deliveries.**

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

- **PIZZA LUNCH** is available for purchase every Friday. Orders must be completed in advance.

## ***Medication***

Parents/guardians must immediately notify teachers in writing if their child is on and/or takes any medication or prescription medicine during the year. No faxes or phone calls for release of medication will be accepted.

If a child must take any medication in school which is prescribed by a doctor, that medication must be sent to the Front Office in the original container received from the pharmacy and must have on its label the following information: child's name; name of doctor prescribing the child's medication; frequency; dose; and date.

No medication, over the counter or prescribed, should ever be in the student's possession.

## ***Nondiscriminatory Policy***

## ***Office Records***

Parents/Guardians are requested to notify the School Office in writing of any change of address, custody, home telephone numbers, cell phone numbers, business phone numbers, email addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

## ***Parties***

All classes will have Fall/Harvest Party, Christmas, Valentines Day and the End of the Year. Room parents may assist the classroom teacher with these parties. We request that treats be already prepared into individual servings and include ingredient labeling. Birthday Acknowledgements must be communicated with the homeroom and the office teacher at least one week in advance. Teacher expectations are written in class syllabi.

## ***Promotion/Retention Policy***

Advancement to the next grade in Annunciation Catholic School is based on a student's daily performance, test results, recommendations of teachers, attendance, and the student's academic readiness. In accordance with Archdiocesan policy, retention will be made on the recommendation of the teacher and the Principal, according to their evaluation of the child's maturity in relation to his/her motor skills, social adjustment, attendance, and academic achievement.

**Any student who fails one individual core subject will be required to attend summer school. Any student who fails two or more of the individual core subjects will be retained and may not be given the opportunity for re-enrollment.**

## ***Returning to School After Dismissal***

Students are not permitted to return to the school building after the 3:00 PM dismissal unless accompanied by an adult.

## ***Sacramental Program***

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Annunciation Catholic School. Parents are required to be active partners in the preparation of their children for these sacraments. Although our non-Catholic students do not receive these sacraments, they are required to fully participate in the Reconciliation, Communion, and Confirmation classes as part of the religion curriculum. Meetings for parents/guardians are held prior to both sacraments to describe the preparation process and the parents'/guardians' role.

### *Sacraments of First Penance and First Holy Communion*

Catholic students in 2nd grade receive the Sacrament of Reconciliation in the winter and First Holy Communion is usually performed in the Spring.

### *Sacrament of Confirmation*

Catholic students in 7th & 8th grades are traditionally confirmed in May of their 8th grade year. They must attend mandatory retreats in order to participate.

### *Sacrament of Reconciliation*

Catholic students have several opportunities throughout the school year to receive the Sacrament of Reconciliation. This is also the opportunity for non-Catholic students to meditate or pray quietly in the church.

### ***Social Media Postings***

Annunciation Catholic School works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. Annunciation adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at Annunciation are forbidden from posting photographs taken at school sponsored events. Such postings are a violation of the Annunciation Catholic School's adherence to FERPA and the Child Protection Act. The students of parents who post such photos may be separated from Annunciation Catholic School.

ACS assessments give teachers, parents, and administrators a systematic evaluation to use to determine students' strengths and weaknesses. The school will administer standardized religion and achievement tests according to the diocesan assessment program.

- ***Faith Knowledge Assessment*** Students in grades 3-8 are given The Faith Knowledge Assessment each May. Test scores provide school and diocesan personnel data regarding students' understanding of basic doctrine as well as attitudes towards living the Catholic faith.
- ***Standardized Testing*** Students in Grades 2-8 will be given Scantron, an online assessment, which will be administered three times each year; September, January and May. The purpose of the September and January assessments is for student progress monitoring. Scantron assessments provide us with real time data which we can use to plan for instruction that meets individual student needs. The May Scantron assessment will be used to measure student progress for the whole school year. The Scantron assessments are based on diocesan curriculum standards and are nationally normed.
- ***High School Placement Test (HSPT)*** All eighth grade students take the high school placement test (usually administered in late November or early December) used as part of the application process for placement in diocesan high schools.

## Family Handbook: COVID-19 Supplement

This supplement has been added to the Family Handbook in response to COVID-19 to increase safety and accountability among students. This addendum is effective August 1 and will remain active until further notice. Any revision or removal of content will be communicated to the ACS community.

These policies, in addition to those in the larger Family Handbook, govern the behaviors of students on campus to ensure that the school upholds its mission and preserves the safety and wellbeing of its community.

### Covid-19 Policies

The following policies have been developed to specifically address COVID-19 safety concerns.

#### **Before Health Screening App**

To ensure the safety of all in our community each family is required to complete the before screening app daily before the arrival of their scholar to the campus.

#### **Mask/Face Covering Usage**

Students must wear a mask or face covering that covers their nose and mouth to enter and while present in all classrooms and common spaces inside of the school building to prevent the spread of COVID-19.

Additionally, students must wear a mask or face covering in any outdoor space on campus, when three feet of physical distancing is not possible. Students are permitted to remove their mask or face covering to eat and drink.

#### **Social Distancing**

Students, faculty and staff are expected to maintain three feet of distance from one another under all reasonable circumstances. This policy applies to all classrooms, offices, indoor and outdoor gathering spaces. Students are responsible for reading and adhering to posted information about gathering limits and distancing while on campus.
